

ELECTRO HYDRAULIC WARTHOG LOADER

Technical Specs

Operating Source	525 V electrical
Rail Bound	Rail gauge 610MM / 762MM / 914MM
Loading Specs	Boom length 4500MM 244MM + 600MM extension Boom lift angle 45° up 15° down Boom swing angle 30° right 30° left
Major dimensions	length 6350MM Width 1700MM Height 2100MM Weight 6080KG
Electrical system	1 x 30 kw IP65 rated 525V foot/flange mount elec motor 12V dc drilling lights pilot protection on cable 50M 35 x 3 scr 6 x 2 unscr pilots yellow trailing cable 1 x victor male plug 12V amber flashing light + alarm cover panel inc emergency stop 4kw conveyor drive roller

ELECTRO HYDRAULIC WARTHOG LOADER

Technical Specs

Hydraulic tank	tank capacity - 120Liters Hyd 68 type oil
Hydraulic system	3/8" , 1/2" , 3/4" and 1" R2AT 4000 psi rated hydraulic hoses Bsp jic and sme hydraulic fittings 1 x 70L/M cast iron gear pump 1 x 25 micron hyd oil filters 1 x 100 LTR 525V electrical oil cooler
Hydraulic system pressures	system pressure 200 Bar
Conveyor	1 x 13mtr 16mm conveyor belt (cold spliced) 7 x Liners 3 x Rollers 1 x Return roller 1 x Drive roller
